

OUT OF HOURS NOTICE - NORTHBOURNE AVENUE
SWINDEN STREET TO BARTON HIGHWAY INTERSECTION
20 - 22 MAY 2018

Canberra's first stage of Light Rail is progressing and construction is well underway. This is an exciting time in our City and Canberra Metro is working hard to see this vision come to life.

Construction Works:

Concrete protector barriers need to be re-located northbound on Northbourne Avenue between Swinden Street and the Barton Highway for track slab laying works.

The hours of work will be from **8:00pm to 6:00am from Sunday 20 May to Tuesday 22 May.**

Traffic changes and Detours:

Traffic travelling southbound along Northbourne Avenue will be NOT BE affected by these works. However the northbound traffic will be detoured as follows:

- Northbourne Avenue northbound traffic from Antill-Mouat Street intersection to Barton Highway intersection will be detoured via Ellenborough Street and Phillip Avenue.

Detours will be sign-posted, with traffic management in place and highly visible throughout the works.

Additional Information:

The equipment that will be used includes: excavators and utility vehicles.

Due to the nature of the work, some of the activities will be noisy. The project team will limit noise impacts wherever possible by reducing the number of machines operating at the same time and turning off equipment when not in use. Non-tonal reversing beepers will be used* and workers will be instructed to keep noise to a minimum.

Thank you for your patience during these important works.
