

OUT OF HOURS NOTICE - NORTHBOURNE AVENUE

RUDD-BUNDA STREETS INTERSECTION

22 JUNE TO 5 JULY 2018

Canberra's first stage of Light Rail is progressing and construction is well underway. This is an exciting time in our City and Canberra Metro is working hard to see this vision come to life.

Construction Works:

Stormwater investigation works need to occur in the roadway of the Rudd-Bunda Streets intersection. The hours of work will be from **8:00pm to 5:00am on Sunday 17 June.**

Traffic Management and Detours:

There will be **NO CHANGE** for traffic travelling northbound and southbound along Northbourne Avenue at the Rudd-Bunda Streets intersection. Traffic management will be in place to direct traffic seeking to turn into and out of Rudd and Bunda Streets.

Additional Information:

The following equipment will be used including a road saw and vacuum truck.

Due to the nature of the work, some of the activity will be noisy. The project team will limit these impacts wherever possible by reducing the number of machines operating at the same time and turning off equipment when not in use. Non-tonal reversing beepers will be used and workers will be instructed to keep noise to a minimum.

Thank you for your patience during these important works.

If you have any questions related to works in your local area or the wider project, please contact Canberra Metro:

- **Phone** 1300 208 824
- **Email** cbr.communications@canberra-metro.com.au

Are you Rail Ready?

OVERHEAD WIRE INSTALLATION – The overhead wire is LIVE and carries 750 volts of power. It will cause fatal injuries if touched. Keep away! Download a fact sheet including safety tips.

* Except for elevated work platforms which are required by safety regulations to have tonal beepers.
