

Out of Hours Notice - Northbourne Avenue

Intersections from Alinga Street to Antill-Mouat Streets

17 October - 24 November 2018

Construction of the first stage of the Light Rail between Gungahlin and the City nearing completion. During the final stage of the project Canberra Metro will maintain every effort to ensure minimal disruption to the public as works continue.

Construction Works:

Three packages of out-of-hours works are required on Northbourne Avenue, between Alinga Street and Antill-Mouat Streets, to ensure the area is ready for light rail vehicle testing on Northbourne Avenue. These works include:

- Construction of final kerbs at all intersections.
Hours of work will be **8:00pm to 6:00am during the period Wednesday 17 October to Saturday 24 November.**
- Continued installation of storm water infrastructure at various intersections.
Hours of work will be **8:00pm to 6:00am from now until Wednesday 31 October.**
- Continued installation of new traffic signals at various intersections along Northbourne Avenue
Hours of work will be **8:00pm to 6:00am, from now until Wednesday 31 October.**

For up-to-date information on the nights and locations of these works, visit www.canberra-metro.com.au/updates as regular updates will be posted as the program continues.

Traffic Management and Detours:

Local detours are in place for traffic travelling east and westbound and will be promoted on Canberra Metro's website.

Additional Information:

The equipment to be used includes: vacuum truck, excavator with breaker, compaction roller and asphalt laying equipment, road saws and lighting towers.

The project team will ensure the number of machines operating at the same time is limited and equipment turned off when not in use. Non-tonal reversing beepers will be used* and workers will be instructed to keep noise to a minimum.

These works are designed to transform Canberra, making it more accessible and to provide greater commuter connectivity across an integrated public transport network. We appreciate the continued patience of the public and the support of the Canberra community as we carry out these works.

More information can be found by visiting www.canberra-metro.com.au. If you have any questions in relation to works in your local area, please contact Canberra Metro:

- **Phone** 1300 208 824
- **Email** cbr.communications@canberra-metro.com.au

* Except for elevated work platforms which are required by safety regulations to have tonal beepers.
