

Southwell Park and Dickson Access

Monday 9 July to Friday 13 July 2018

If you're heading to the Kanga Cup, Canberra Metro wishes to advise that there are significant roadworks between the Canberra city centre and Gungahlin in Canberra's north. These roadworks are located along the Northbourne Avenue/ Federal Highway and Flemington Road corridors. Suggested routes to/from Southwell Park and Dickson Playing Fields are shown on the map below. There may be delays in the area so please allow additional travel time.

In addition to the general construction activities along the corridor, there are detours at four intersections during or around the time of Kanga Cup week. The locations and dates of these intersection closures can be found over leaf. It is best to avoid these intersections where possible.

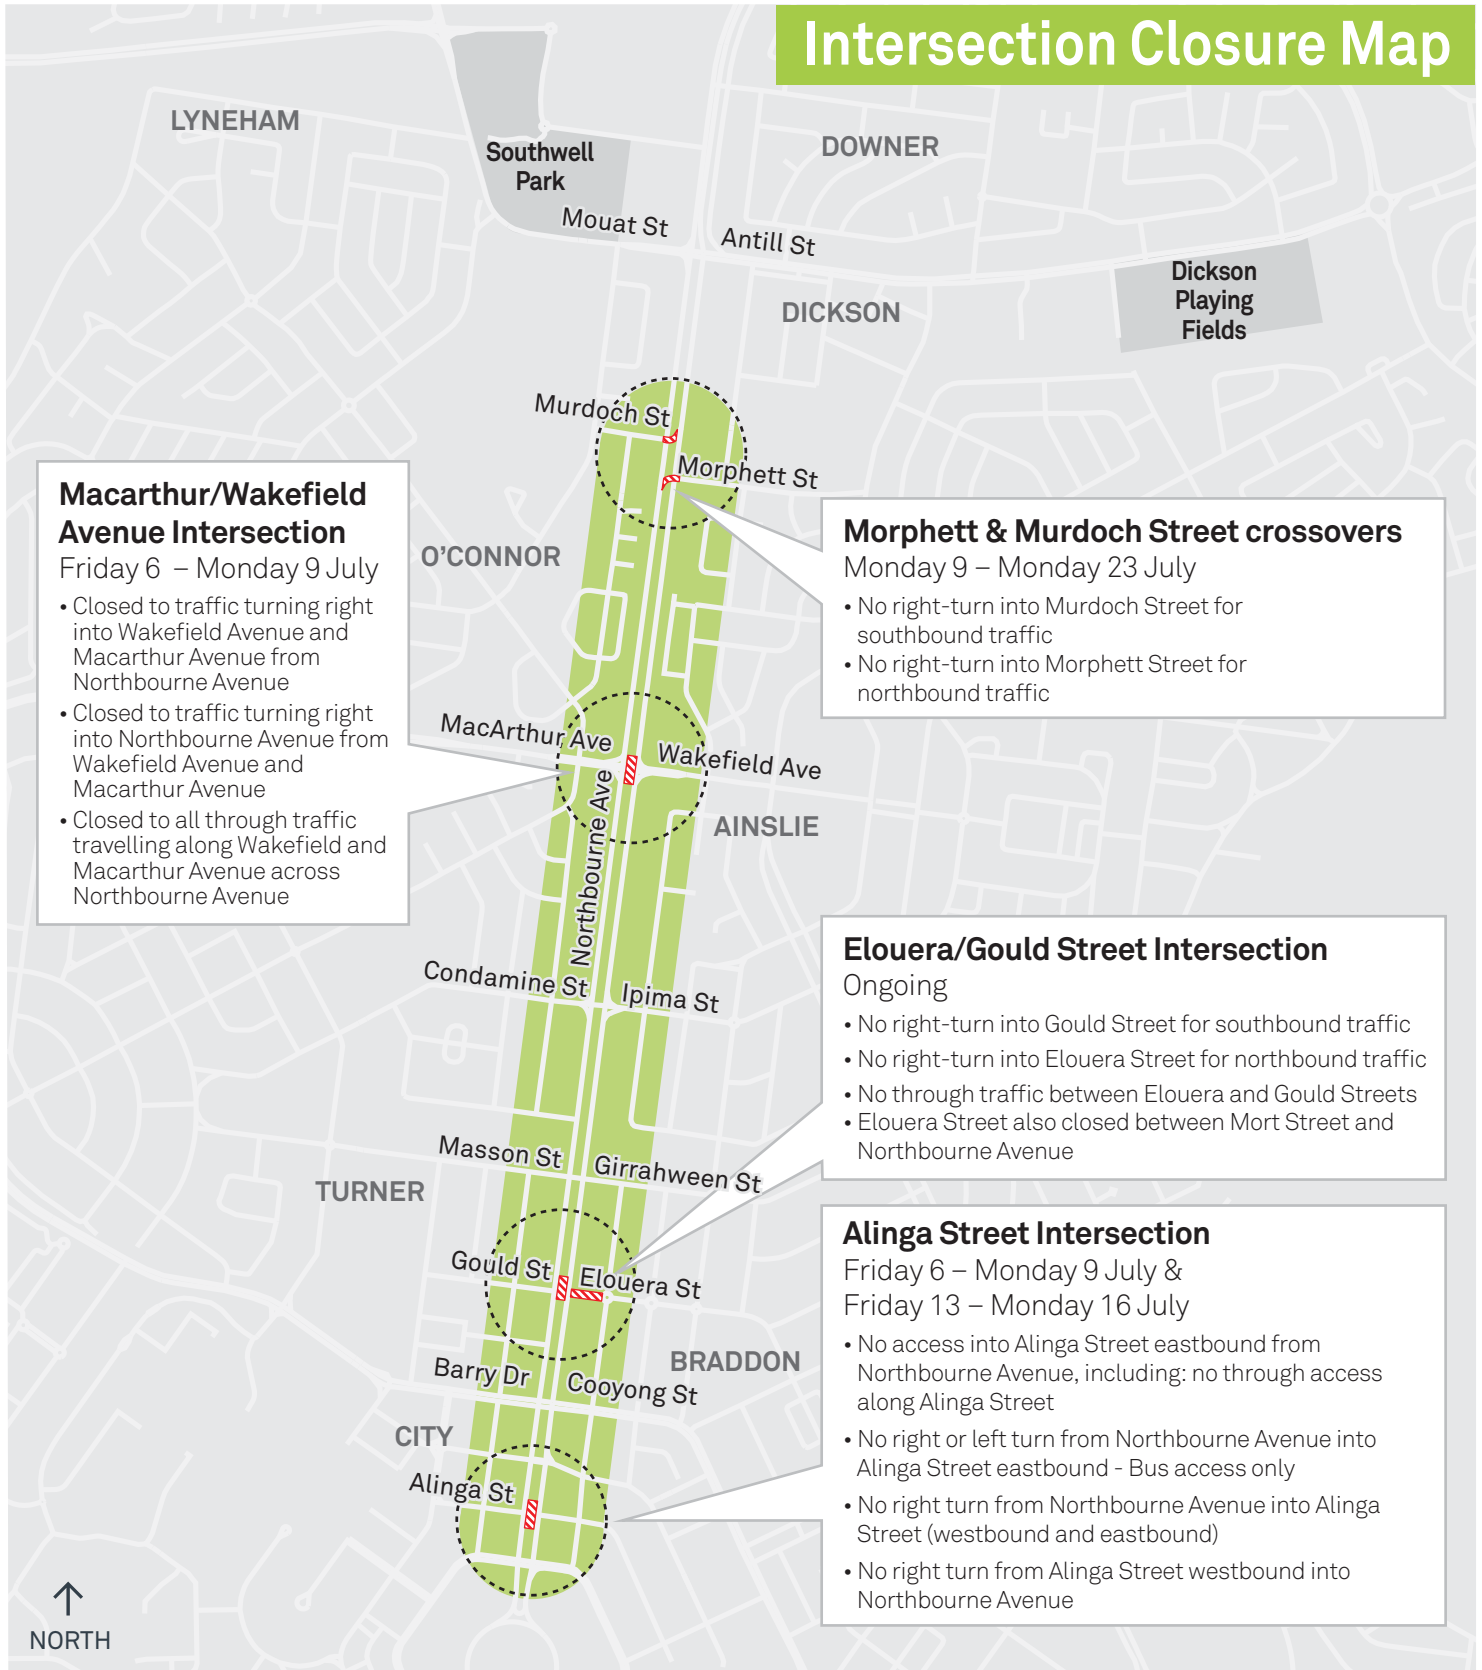

For real-time road closure updates visit canberra-metro.com.au/map

For up-to-date information on the schedule of works please visit www.canberra-metro.com.au, call 1300 208 824 or follow us on social media.
