

**OUT OF HOURS NOTICE - NORTHBOURNE AVENUE  
MURDOCH AND MORPHETT STREET INTERSECTIONS  
15 NOVEMBER – 30 NOVEMBER 2018**

Canberra's first stage of Light Rail is progressing and construction is nearing completion. This is an exciting time in our City and Canberra Metro is working hard for Light Rail services to commence.

**Construction Works:**

Out-of-hours works are required to complete construction of the revised Murdoch and Morphett Street vehicle crossings and footpath on Northbourne Avenue. This work includes the creation of new right-turn slip lanes, applying the final asphalt to the road crossings and building a new footpath crossing.

Hours of work will be **8:00pm to 6:00am, commencing Thursday 15 to Friday 30 November** although not all of these nights are required. A program of works is available on our website.

**Traffic Management and Detours:**

Both the Morphett and Murdoch Street vehicle crossings will be closed throughout these works. Detours:

- Traffic turning into Morphett Street should perform a U-turn at the Mouat-Antill Street intersection
- Traffic turning into Murdoch Street should perform a U-turn at the Wakefield-Macarthur intersection.

Traffic management will be operational and highly visible throughout the works, including signage and personnel.

**Additional Information:**

The equipment to be used includes: a demolition saw, a road profiler, excavators, hammers, rollers, compaction machinery, generators, grinders, light towers and vacuum trucks.

The project team will ensure the number of machines operating at the same time is limited and equipment turned off when not in use. Non-tonal reversing beepers will be used\* and workers will be instructed to keep noise to a minimum.

***These works are designed to transform Canberra, making it more accessible and to provide greater commuter connectivity across an integrated public transport network. We appreciate the continued patience of the public and the support of the Canberra community as we carry out these works.***

More information can be found by visiting [www.canberra-metro.com.au](http://www.canberra-metro.com.au). If you have any questions in relation to works in your local area, please contact Canberra Metro:

- **Phone** 1300 208 824
- **Email** [cbr.communications@canberra-metro.com.au](mailto:cbr.communications@canberra-metro.com.au)

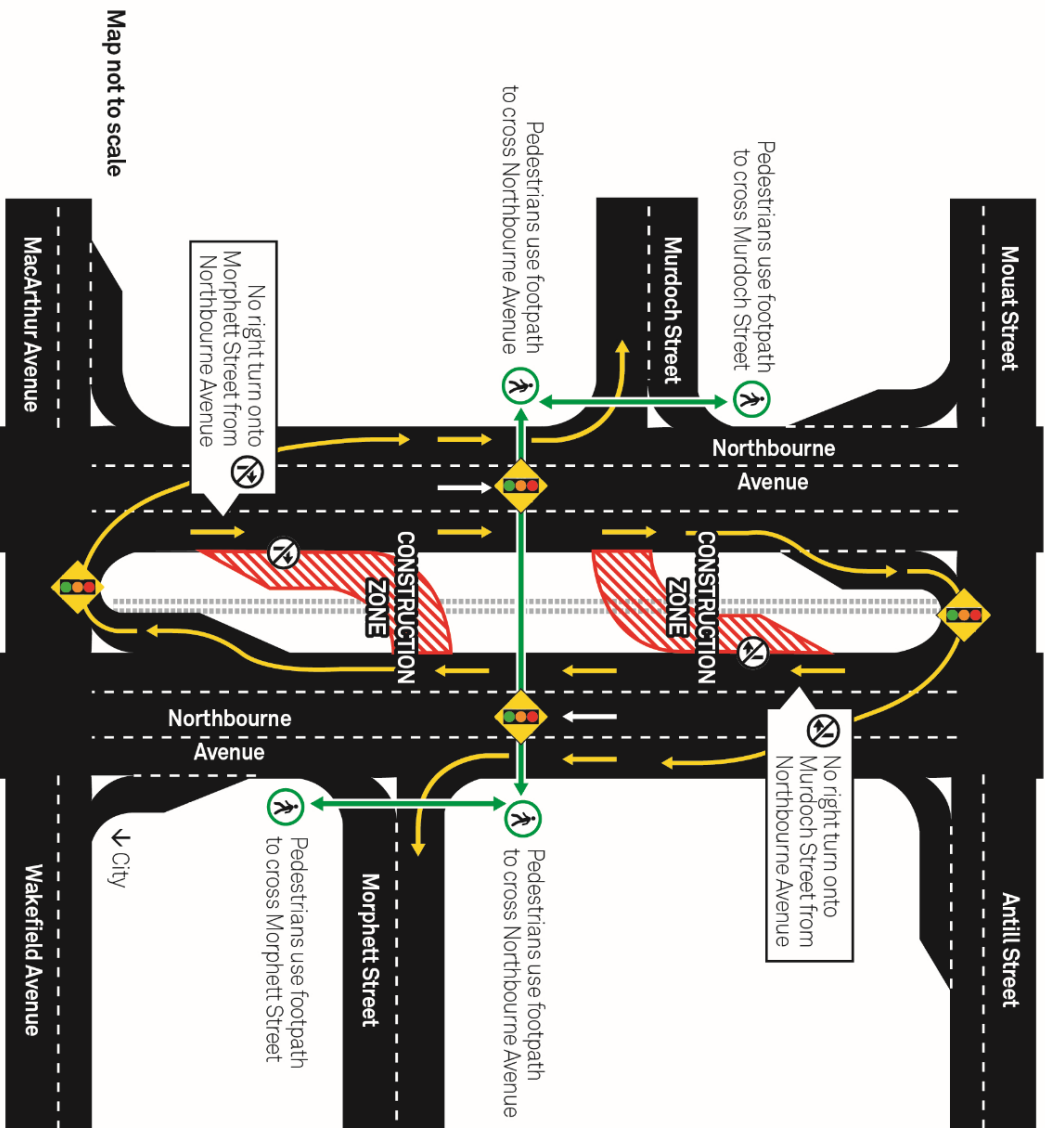

**Are you Rail Ready?**

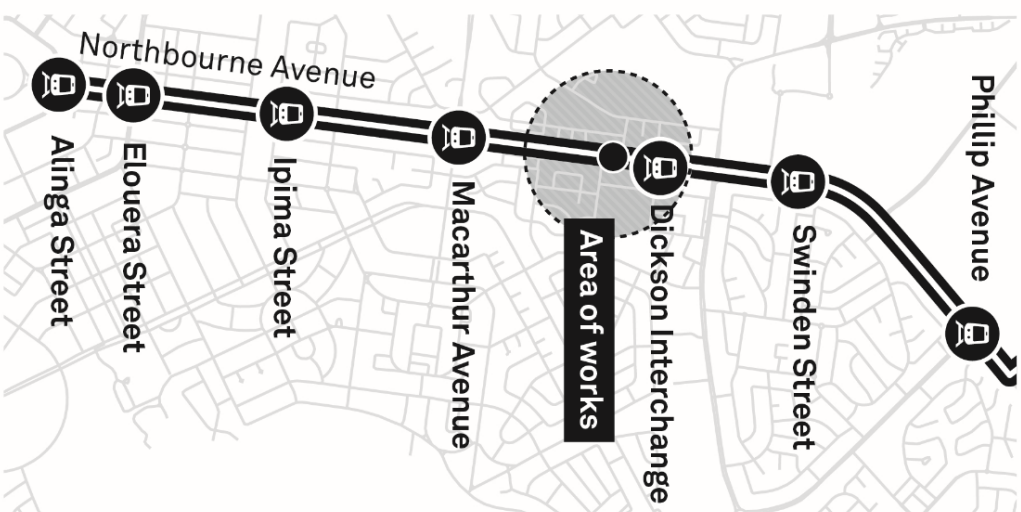

Traffic light patterns at intersections along the light rail route are changing as the light rail integrates with the road network. Please stay alert and pay close attention to traffic light signals. Do not run red lights. Please be patient and wait for the **green** light.

\* Except for elevated work platforms which are required by safety regulations to have tonal beepers.
